ROMAN BLIND
KONF111

Smooth Roman blind, folds not ironed, curtain attachment with Velcro tape, easy installation and removal of the curtain.

Article number

KONF111

min./max. dimensions (observe max. dimensions of the hardware)

min. width 25 cm / max. width 400 cm
max. height 440 cm

Fabric requirement

Cutting width = finished width + 16 cm

Cutting height = finished height + 35 cm

Stack heights (depending on fabric and hardware)

Finished height up to 130 cm = stack height approx. 19 cm
Finished height up to 150 cm = stack height approx. 20 cm
Finished height up to 180 cm = stack height approx. 21 cm
Finished height up to 240 cm = stack height approx. 22 cm
Finished height up to 280 cm = stack height approx. 23 cm
each additional 20 cm = approx. 1 cm
