ROMAN BLIND
KONF141

Roman blind with horizontal rods on the back, ideal for patterned fabrics as the repeat is not interrupted, curtain attachment with hook-and-loop tape, easy installation and removal of the curtain

Article number

KONF141

min./max. dimensions (observe max. dimensions of the hardware)

min. width 20 cm / max. width 400 cm
max. height 440 cm

Fabric requirement

Cutting width = finished width + 10 cm

Cutting height = finished height + 30 cm

Stack heights (depending on fabric and hardware)

Finished height up to 150 cm = stack height approx. 18 cm
Finished height up to 200 cm = stack height approx. 20 cm
Finished height up to 250 cm = stack height approx. 23 cm
Finished height up to 300 cm = stack height approx. 25 cm
each additional 50 cm = approx. 3 cm
