ROMAN BLIND
KONF110

Flat Roman blind, curtain attachment with Velcro tape, easy installation and removal of the curtain

Article number

KONF110

min./max. dimensions (observe max. dimensions of the hardware)

min. width 25 cm / max. width 400 cm
max. height 440 cm

Fabric requirement

Cutting width = finished width + 16 cm

Cutting height = finished height + 30 cm

Stack heights (depending on fabric and hardware)

Finished height up to 100 cm = stack height approx. 14 cm
Finished height up to 120 cm = stack height approx. 16 cm
Finished height up to 140 cm = stack height approx. 17 cm
Finished height up to 160 cm = stack height approx. 18 cm
Finished height up to 180 cm = stack height approx. 19 cm
Finished height up to 200 cm = stack height approx. 20 cm
Finished height up to 220 cm = stack height approx. 21 cm
Finished height up to 240 cm = stack height approx. 22 cm
each additional 20 cm = approx. 1 cm
